

# PANKAJ SINGH

## DEVELOPER

Delhi, India | pankajsingh44228@gmail.com | +91 7703818600 | GitHub | LinkedIn

### SUMMARY

Highly motivated Java Developer with experience in building scalable complete applications using Spring Boot and React. Skilled in developing RESTful APIs, collaborating in Agile teams, and delivering robust backend systems. Quick learner with strong problem-solving and debugging abilities.

### PROFESSIONAL SKILLS

Design Understanding      Problem Solving  
Team Collaboration      Visual Design

### TECHNICAL SKILLS

Core Java, Spring Boot, JUnit, Microservices, AWS  
Beanstalk, MySQL, REST APIs, React, Git, Postman

### PROJECTS

#### Job Portal Web Application (May 2025 - Jul 2025)

Mar 2025 – Jul 2025

- Designed and developed a full-stack job portal application.
- Implemented features for user registration, profile updates (with resume and cover letter upload), job saving, and application tracking. Added employer functionality to post jobs and manage applicants.
- Built secure authentication with OTP-based password recovery.

**Tech Stack:** Spring Boot, MySQL, Maven, React, Postman

#### E-Commerce Website (Feb 2024 - Apr 2024)

Mar 2024 – Aug 2025

- Developed end-to-end e-commerce web application with Spring Boot and React.
- Designed scalable APIs for product, category, and order management.
- Integrated Stripe for secure payments and accomplished authentication with Google OAuth2.0 and JWT
- Created a responsive UI for seamless user experience.

**Tech Stack:** Spring Boot, MySQL, React, Postman

### EXPERIENCE

#### Project Engineer (Academic Role)

- Implemented full-stack applications using Java, Spring Boot, and React.
- Collaborated on 3+ group projects, taking the lead on backend development.
- Followed Agile processes in mini-projects for regular sprint-based deliveries.
- Participated in code reviews and debugging sessions for peer learning.

### EDUCATION

#### Bachelor of Technology - Computer Science Engineering

Aug 2022 – 2026 Aug

Guru Gobind Singh Indraprastha University, Delhi

2022 - 2026 | CGPA: 8.5

#### Senior Secondary (XII), CBSE - 2021

Shaheed Amir Chand Govt. Sarvodaya Vidyalaya, Delhi

Percentage: 78%

#### Secondary (X), CBSE - 2019

Shaheed Amir Chand Govt. Sarvodaya Vidyalaya, Delhi

Percentage: 84%

### ADDITIONAL DETAILS

**Languages:** English, Hindi

**Certifications:** Java Backend Development with Spring Boot - Coding Shuttle (Jul 2024 - Sep 2024).

**Activities:** Actively participated in competitive volleyball tournaments. Strong interest in team collaboration and problem-solving.
